---

## Work Experience

05/2015 - 09/2019, Academic Tutor, Tutor Time, Norwalk

- Supporting students by providing lesson plans and helping them to learn and achieve strong exam results.
- Delivering lessons using the appropriate resources and facilities.
- Planning and developing goals with students, and encouraging them to reach their potential.
- Engaging with students from different countries and cultures, helping them to integrate into the university.
- Offering advice and support with any concerns students have about the lessons or their development.
- Ensuring the reputation of the University was upheld at all times by being professional and taking the needs of the students into account.

04/2010 - 04/2015, Academic Tutor, Sylvan Learning Center, Stamford

- Responsible for delivering engaging lessons to students, and keeping them motivated to achieve their goals.
  - Fielding any concerns or questions from students quickly and efficiently.
  - Providing additional guidance to students that might require further help to achieve their potential.
  - Maintaining general administration, such as performance tracking and updating attendance records.
-
